Event Description:

On 18th of July, the event, focused on Creation of Posters on one of the three topics as selected by the Faculty Coordinator on spot. This tested the creativity and organization skills of the students. Thus, the final review of the posters helped to appreciate the efforts put forth in this exercise. Also, the posters were reviewed by Faculties and HOD of the department.

Finally, the posters were judged by the selected Jury of the department and winners were decided. The forum thus appreciates the efforts put in by the students of 4th semester in participating and competing. They were awarded with e-certificates and winners with certificates.

Academic Year: 2023-24

NAME OF THE EVENT: Qrozztoric	
Organized by: Electronica Forum	Date: 11-07-2024
Resource Person Name: Prof. Tejaswini M L and Prof. Rashmi K T, Asst. Prof., ECE, DBIT	For Students/Faculty: Students
No. of Participants: 40	

Event Description:

A technical event for 6th Semester Students of the Department of ECE, on 11th of July 2024. The event had the following rounds,

1. Quiz– A General Knowledge and Basic Electronics Round to exercise their brains and awareness of the present highlights and general concepts. It was platform to exercise their skills, test their knowledge, observe their potential, exposure to a small competitive environment and got them introduced to the forum and activities. Students also understood the benefits of Teamwork and learned to appreciate time bound activities and creativity.
2. Crossword– A unique round challenging crossword game that puts knowledge of technology to the test
3. Treasure hunt – Embark on exciting adventures to explore the world of ECE

Academic Year: 2023-24

NAME OF THE EVENT: CONGRADS	
Organized by: Electronica Forum	Date: 06-06-2024
Resource Person Name: Mrs. Kala Das, Addl. General Manager (PL – UHM), Rotary Wing Research & Design Centre, HAL, Bangalore-560017	For Students/Faculty: Students
No. of Participants: 108

Event Description:

A technical event experience for 3rd Semester Students of the Department of ECE, on 21st of December 2023. The event had the following rounds.

1. Insight Quest – A General Knowledge and Basic Electronics Round to exercise their brains and awareness of the present highlights and general concepts.
2. Cipher Clash – A unique round to decode the necessary Binary data for email composing.
3. WWE – Wired World Extravaganza where hidden electronic circuits needed to be drawn on observing the possible behavior.
4. Brainiac Blitz – An aptitude round run on a Web based platform.

Academic Year: 2023-24

NAME OF THE EVENT: ECE CONNECT	
Organized by: Electronica Forum	Date: 21-12-2023
Resource Person Name: Dr. A N Maheswarappa	For Students/Faculty: Students
No. of Participants: 40	
	

Event Description:

Event called “ECE CONNECT”- A Departmental Introduction on 7th of December 2023. This also served to be an awareness program for those interested to be student coordinators of the Forum.

The 3rd semester students were also introduced to senior forum coordinators (7th and 5th semester) and experienced the various activities or events that would happen under Electronica. The various events such as ‘Spectron’, ‘Dialectic’, ‘Apti-Kwiz’ and ‘Quotient Quest’ were reviewed for them. Events such as Model Placement Training Event, were explained to them, highlighting the visit of Alumnus of the Department and their suggestions.

Academic Year: 2023-24

NAME OF THE EVENT: Quotient Quest	
Organized by: Electronica Forum	Date: 26-10-2023
Resource Person Name: 1. Mr. Nithin N - Software Developer at Siemens Healthineers. 2. Mr. Athreya Prathuri - Big Data Engineer at Scienaptic Systems Private Limited. 3. Ms. Vaishnavi Revankar - Senior consultant at Mercedes benz research and development India	For Students/Faculty: Students
No. of Participants: 60	
 <p>The poster for the 'Quotient Quest' event is a dark-themed graphic. At the top, it features the logos of Don Bosco Institute of Technology and the Department of Electronics and Communication Engineering. The main title 'QUOTIENT QUEST' is prominently displayed in the center. Below the title, three circular portraits of the resource persons are shown: Nithin N (Software Developer at Siemens Healthineers), Athreya Prathuri (Big Data Engineer at Scienaptic Systems Private Limited), and Vaishnavi Revankar (Senior consultant at Mercedes Benz Research and Development India). The event is scheduled for the 26th of October 2023, starting from 12 pm to 5 pm in Seminar Hall 2. The organizing chairs are listed at the bottom: Faculty Co-ordinators (Prof. Tejaswini M.L. and Prof. Rashmi K.T.), HOD ECE (Dr. Maheswarappa A.N.), and Principal (Dr. B.S. Nagabhushana).</p>	 <p>A group photograph of approximately 60 participants and resource persons standing on a red carpeted stage in a seminar hall. The group is diverse in age and attire, with some individuals wearing blue shirts and others in traditional Indian clothing. The background shows the interior of the hall with a white ceiling and a fan.</p>

Event Description:

To provide a Placement driven Training Programme for the 7th Semester Students of the Department of ECE, on 26th of October 2023.

Also gave valuable insights on interview preparation, subjects of attention and books of reference and personal experience in the job sectors. Each of the alumni engaged the students one on one to cater to the doubts and career decision guidance/certification required for them.

Academic Year: 2022-23

NAME OF THE EVENT: Spectron	
Organized by: Electronica Forum	Date: 02-02-2023
Resource Person Name: Prof. Tejaswini M L	For Students/Faculty: Students
No. of Participants: 40	

The poster features a blue background with a glowing circuit board pattern. At the top left is the logo of Don Bosco Institute of Technology, Bangalore. At the top right is the logo of the Indian Society for Technical Education (ISTE). The text reads: "DON BOSCO INSTITUTE OF TECHNOLOGY Mysore Road, Bengaluru - 74". Below this, it says "Department of Electronics And Communication Electronica Forum In Association with ISTE presents". The event title "SPECTRON" is written in large, bold, yellow letters. To the right of the title is the slogan "Slingshot the processor with electrons". A list of rounds is provided: "List of Rounds 1 Piction it Caption it 2 DEC - BIN 3 Brush Your Brain". Below the list, it states "Participants will get digital certificate". At the bottom left, there is a small image of a human brain with neural connections. At the bottom right, there is a small logo for "Electronica" with the tagline "ONLY AREA WHERE DOPING IS LEGAL!!!". The faculty co-ordinators are listed as Mrs Roopa B S, Mrs Tejaswini M L, and Dr Shashi Ranjan, with Mrs Tejaswini M L as the ISTE Convener. The students co-ordinators are listed as 3rd sem co-ordinators. The event details are: Date - 2nd FEB 2023, Venue - SH2, Time - 2 PM.

Event Description:

Spectron was a technical event organized by the Electronica Student Forum for the academic year 2023 which was a departmental event wherein students from ECE department participated. The Spectron, was organized in the view of testing participants' ability of using their logical & analytical reasoning skills which plays a major role in the real world. In general, then event also gave an idea about the process of encoding and decoding to the contestants. The event was scheduled on 2nd February 2023 and the registration for the event was started a few days prior along with the option for spot registration to encourage all the interested students. The response to the event was overwhelming and the contestants participated with a lot of enthusiasm. All the games in the event mainly focused on subject related topics (Analog & Digital Electronics concepts), wherein the students' subject knowledge was tested.
