Objectives:

The objective of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. It also aims to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Roles and Responsibilities of IQAC:

- To develop and apply quality benchmarks in education.
- Set up parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- To collect and analyse the feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality.
- Periodical conduct of Academic and Administrative Audit and its follow-up.
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Standard Operating Procedure

- Devotion and commitment to improvement of institutional policies. To device procedures and instruments for assuring quality. The IQAC ensures that whatever is done in the institution for “education” is done efficiently and effectively with high standards. The IQAC will have to establish procedures and modalities to collect data and information on various aspects of institutional functioning.
- The Director IQAC has a major role in implementing and fulfilling the objectives and functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to carry out its roles and responsibilities. By adopting the roles and responsibilities laid down so far the IQAC strives to facilitate the institution towards attaining academic excellence.
