We have integrated various financial processes to our IT enabled platforms. Presently, we are using the following platforms for our processes:

- Tally Prime:** Accounting and Book Keeping
- AIMS Edusoft:** Student Database and Fee tracking
- Saral Pay-pack:** Bio-metric attendance & Payroll
- Saral TDS:** Statutory dues
- Microsoft Office (Outlook/ One-Drive):** Internal communications & Data storage server

Digital Fee Collections:

We have taken all necessary steps to digitize our fee collection system. All student fee collections will be through online modes/ direct bank deposits only.

We have displayed our bank account details on the official website for NEFT/RTGS payments. Further, we have even provided a direct online payment link on our website, with our aggregator Easy-Pay.

Additionally, we even have QR codes linked to our fee collection bank accounts which are also displayed at the requisite locations.

Furthermore, in case of small percentage of population who wish to pay fees via cash, such persons are instructed to directly deposit the same into our bank account at the ICICI Bank Branch located in our campus.
