R&D/Incubation /Start Ups Committee

Objectives

- To encourage Science and Technology students to choose entrepreneurship as their careers.
- To motivate students and faculty to convert their Innovations / Ideas and projects into viable Business Models.
- To orient students on how they can conceptualize social business start-ups that will address social issues.
- To handhold students during the entire course of their study, for launching their startups.
- To equip students with the necessary skills for managing their business enterprise.

Roles and Responsibilities

- Expose students to the engineer's responsibilities and ethics.
- Familiarize with various materials, processes, products and their applications along with relevant aspects of quality control
- Promote academic, professional and/or personal development.
- Expose the students to future employers.
- Learn to apply the Technical knowledge in real industrial situations
- Gain experience in writing Technical reports/projects.
- Understand the social, economic and administrative considerations that influence the working environment of industrial organizations
- Understand the psychology of the workers and their habits, attitudes and approach to problem solving

Standard Operating Procedure:

1. The meeting invitation is circulated among the committee members
2. Based on the prevailing situation the meeting is organised in physical or online mode
3. Minimum two presentations has to be conducted for **R&D/Incubation /Start Ups**
4. There must be a common evaluation procedure to evaluate the student performance
5. One meeting in ODD semester & one meeting EVEN semester to be conducted
6. The Copy of the Minutes of Meeting is mailed or circulated to the Dean & Director, IQAC, all HODs and **R&D/Incubation /Start Ups** committee members to seek their approvals
