### Academic External Audit Report

The academic External audit of the institution conducted from 10.09.2022 to 11.09.2022. The purpose of audit is to improve the quality of teaching learning process and overview of the institution with respect to the overall academic performance. The committee members visited all the departments and investigated the documents and internal academic audit report. This report consolidates the findings and put forth the suggestion and area of improvements which are possible can be made.

After reviewing the documents of MBA department the information given by the department for the academic year 2021 – 2022 and interacting with faculties of the department the following observations are recorded

Remarks
<p>A. Teaching Learning Evaluation: -</p> <ol style="list-style-type: none"><li>1. The workload distribution of the department is appropriate and observed that few faculty members have more teaching load as per norms.</li><li>2. All faculty members have been allocated mentors but mentoring system needs to be strengthened.</li><li>3. All the departments have planned the activities before the commencement of the semester in calendar of events (COE) and few of the departments have not executed as per their COE.</li><li>4. Participation in MOOCs (NPTEL) / seminar / webinar / workshop / conferences of the faculty members and students is good.</li><li>5. Different modes of teaching practices are implemented to improve quality of teaching.</li><li>6. Peer learning among the students has to be improved.</li></ol> <p>B. Curricular Aspects</p> <ol style="list-style-type: none"><li>1. The curriculum is designed as per CBCS requirements of VTU.</li><li>2. Content beyond the curriculum are covered by conducting add-on Courses to meet industry requirements.</li><li>3. The new scheme with respect to NEP 2021 is implemented effectively in all departments.</li></ol> <p>C. Research Innovation and Extension</p> <ol style="list-style-type: none"><li>1. The focus on interdisciplinary research projects of the department is lacking.</li><li>2. Number of Publication and the quality of publication in the department are good but publications by students needs to be encouraged.</li><li>3. Research guidance should be improved in each R&amp;D center.</li><li>4. The consultancy by faculty needs to be strengthened by each department.</li><li>5. All departments have good no of MOUs &amp; activities under MOU are conducted.</li></ol> <p>D. Student support and progression</p> <ol style="list-style-type: none"><li>1. The students are qualifying national level competitive examinations for higher education &amp; Entrepreneur are found in few numbers.</li><li>2. Students participating in NSS, NCC, Sports and cultural activities are good but more efforts are required to compete at national level.</li><li>3. Training and placement department needs to give more training for students studying in the 2<sup>nd</sup> year.</li><li>4. During 2021-2022 more than 90% of eligible students are placed in reputed companies.</li></ol>

## Academic External Audit Report

The academic External audit of the institution conducted from 10.09.2023 to 11.09.2023. The purpose of audit is to improve the quality of teaching learning process and overview of the institution with respect to the overall academic performance. The committee members visited all the departments and investigated the documents and internal academic audit report. This report consolidates the findings and put forth the suggestion and area of improvements which are possible can be made.

After reviewing the documents of Mechanical Engineering department the information given by the department for the academic year 2021 - 2022 and interacting with faculties of the department the following observations are recorded

Remarks
<b>A. Teaching Learning Evaluation:</b> <ul style="list-style-type: none"><li>1. The workload distribution of the department is appropriate and observed that few faculty members have more teaching load as per norms.</li><li>2. All faculty members have been allocated mentors but mentoring system needs to be strengthened.</li><li>3. All the departments have planned the activities before the commencement of the semester in calendar of events (COE) and few of the departments have not executed as per their COE.</li><li>4. Participation in MOOCs (NPTEL) / seminar / webinar / workshop / conferences of the faculty members and students is good.</li><li>5. Different modes of teaching practices are implemented to improve quality of teaching.</li><li>6. Peer learning among the students has to be improved.</li></ul>
<b>B. Curricular Aspects</b> <ul style="list-style-type: none"><li>1. The curriculum is designed as per CBCS requirements of VTU.</li><li>2. Content beyond the curriculum are covered by conducting add-on Courses to meet industry requirements.</li><li>3. The new scheme with respect to NRP 2021 is implemented effectively in all departments.</li></ul>
<b>C. Research Innovation and Extension</b> <ul style="list-style-type: none"><li>1. The focus on interdisciplinary research projects of the department is lacking.</li><li>2. Number of Publication and the quality of publication in the department are good but publications by students needs to be encouraged.</li><li>3. Research guidance should be improved in each R&amp;D center.</li><li>4. The consultancy by faculty needs to be strengthened by each department.</li><li>5. All departments have good no of MOUs &amp; activities under MOU are conducted.</li></ul>
<b>D. Student support and progression</b> <ul style="list-style-type: none"><li>1. The students are qualifying national level competitive examinations for higher education &amp; Entrepreneur are found in few numbers.</li><li>2. Students participating in NSS, NCC, Sports and cultural activities are good but more efforts are required to compete at national level.</li><li>3. Training and placement department needs to give more training for students studying in the 2<sup>nd</sup> year.</li><li>4. During 2021-2022 more than 90% of eligible students are placed in reputed companies.</li></ul>
