## Parent Teachers Meeting

Don Bosco Institute of Technology-PTM committee organized Parents-Teachers Meeting for B.E. semester I on 19/03/2022. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. While this happens on an offline basis. Around 79 parents participated in the 1st PTM of Odd Semester 2021-22. Parents became aware of the institute's rules and regulations, methodologies of teaching & learning for the overall welfare of students. Parents were encouraged to appreciate student's participation in all academic activities. The PTM came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers.

**Objectives:** The parent teachers meeting was a one to one discussion between the subject teacher And the student with their parent who have shortage of attendance and have scored less than 50% in First & Second Internal Assessment. The meeting was held at Physics classroom & seminar Hall-2 from 10:30 am to 04:30 pm. More than 60 parents attended the meeting.

The interaction was to know about the strength and weakness of the individual student, to share the opinion of the teacher about the student with parent, to know the reason for poor performance by the student from parent side (if any) etc.

During the meeting, Mentors have collected the information about the problems facing by the student as a feedback from their parent. Teachers also gave some inputs to the parents about the parent role to improve the attendance and academic performance of the student.

The principal addressed the parent's at 12.00 noon in Seminar Hall-2 for both Chemistry and Physics stream at a time. Principal highlighted the points like role of parent to improve their toward academic performance, role of parent for student discipline inside the college campus, parent role for punctuality of the student to classes etc. Principal sir requested the parents to join hands to improve the quality of students.

All the parents are even addressed by college mentor Chief Dr. Sajani Bhat, Counsellor, DBIT. The agenda of interaction is mainly on how to improve the student academic performance through motivation, boosting their confidence level etc. Counsellor informed parents to facilitate their wards with all basic requirements and friendly environment to motivate them for better academic performance.

**Learning outcomes:** After the session, it was an open forum for discussion. Parents expressed their problems and collected the inputs from teachers for improvisation of their wards academic performance. As a feedback all parents expressed their happiness for having their ward studying in our Institution.
