Don Bosco Institute of Technology

Kumbalagodu, Mysore Road,

Bangalore - 560 074.

Preamble

The Department of Science & Humanities, Don Bosco Institute of Technology, Bangalore hosted two weeks Student Induction Programme for new batch of I year students of academic year 2023-2024 during 14th -22nd September 2023.

AICTE in its 49th meeting of the Council held on 14th March 2017, approved a package of measures for improving the quality of technical education in the country, wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and strengthen language skills required for technical education. Main Purpose behind this initiative is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The student induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology launched by Hon'ble Minister of HRD during a conference on 'Quality Initiatives in Technical Education' on 24th January 2018 at AICTE, New Delhi. The two-week SIP is to prepare newly admitted undergraduate students for the new stage in their life by facilitating a smooth transition from their home and school environment into the college and university environment through various discussions and activities.

The programme was inaugurated on Thursday, 12th October 2023 with lighting the lamp by Principal of DBIT, **Dr.B S Nagabhushana**, HOD'S of Science and Humanities , HOD's of other Department, & Faculty of DBIT, Student participants and parents. The honorable chief guest Shri Srinivasa Ramanujam & Guest of Honour Dr Arun M Isloor, were formally inaugurated SIP and addressed about the importance and responsibility of engineer in building the nation.

He emphasized that the graduating student must have excellent knowledge and skills in the area of his study. However, he must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he would understand and fulfill his responsibility as an engineer, a citizen and a human being. Besides the above, several meta-skills and underlying values are needed.

Dr.B S Nagabhushana, Principal welcomed new batch of students for choosing our college for their higher education in various programmes.

He emphasized with a popular adage, "I hear and I forget, I see and I remember, I do and I understand", is very pertinent for Higher Technical Education System, so that students are able

to imbibe theoretical concepts by performing related practices. It is the education of our students' heads, hearts and hands that will genuinely prepare them for success in college, career and civic life; I can say this with full confidence that the college would provide every student a much expected opportunity of boundless growth through an integrated structure of curricular, co-curricular and extracurricular activities. Give a man a fish and you feed him for a day. Teach a man to fish and you feed him for a lifetime. Hence learning skills along with knowledge will enable our students not only to be seekers, but also job creators and emerge as global leaders in the area of technical education commensurate with the dynamic global scenario for the benefit of mankind. We wish to bring out the best in our students and prepare them to become competent enough to meet the challenges of the world. Moving ahead on the path of excellence, the College is ready to effectively take up the forthcoming challenges in diversified domains. We shall leave no stone unturned to equip you with best possible training and exposure so that you can shape up your career and growth for a challenging life. You will feel proud on being associated with us and make us equally proud with your academic excellence.

The Resource Persons for this programme were from Eagle academy for personality development, Bangalore, Bangalore University, Jain University, AkshayPatra Foundation, and Center for Ancient History & Culture, Jain University, Primo Consultancy and other reputed Industries. The programme covered, culture of India, Responsibility of graduates, Kannada literature, Indian constitution and its features, engineering ethics, values and ethics for decision making, Managing and developing intellectual and social quotient including patriotism, pride in Indian culture & Heriatge, Yoga & its importance, TrAPPed: Decoding digital distraction, Electricity & Energy Conservation, VTU Curriculum, Importance of mental health, An overview of History of Science, skills to improve written and spoken English. The program was conducted in MS Teams platform. On the whole, the programme was successful. Around 750 participants attended

Highlights of the topic covered,

- SIP Module 1: Universal Human Values I (UHV I)
- SIP Module 2: Physical Health and Related Activities
- SIP Module 3: Familiarization of Department/ Branch and Innovation
- SIP Module 5: Lectures by Eminent People
- SIP Module 6: Proficiency Modules
- SIP Module 7: Literature / Literary Activities
- SIP Module 8: Creative Practices
- SIP Module 9: Extra Curricular Activities.

Objective

The main objectives of the SIP were:

The SIP has been formulated with specific goals to help students to:

- Become familiar with the ethos and culture of the institution (based on institutional culture and practices)
- Set a healthy daily routine; create bonding in batch as well as between faculty members and students.
- Get an exposure to a holistic vision of life; develop awareness, sensitivity and understanding of the Self---family---Society---Nation---International---Entire Nature.
- Facilitate them in creating new bonds with peers and seniors who accompany them through their college life and beyond.
- To impart several Meta skills and underlying values to students.
- Overcome weaknesses in some essential professional skills – only for those who need it (e.g. Language proficiency modules)

Each day programme was consisting of four sessions delivered by renowned speakers. Each session was ended with the formal vote of thanks after the open discussion or queries from the participants. At the end of each session we have collected feedback about the speaker and forwarded to speakers. As a token of appreciation and gratitude we have given appreciation certificate to the speakers. After the feedback submission, participants got certificate.

Learning Outcomes:

The SIP aims to promote the development of a coherent learning programme; helps to guide students through the programme; enables an institution to demonstrate how a particular lecture course or paper contributes to the overall aims of its teaching. Programme helps to monitor and assess their own learning to achieve the desired outcome.

Date: 14-09-2023	Session:1SH-2	Time: 10.30am to 11.30am
Topic: Familiarization of DBIT, DBIT, An Overview		
Speakers: Dr Koushalya P R, HOD Physics		

The session was mainly focused on Overview of the NEP 2020 in the context of the Indian higher education landscape. A summarized list of objectives, implementation steps, timelines, and success measures of the implementation required for the policy recommendations specifically made for higher education of the NEP 2020. The key point discussed in the session area. Summary of the regulatory and institutional reforms required for the successful implementation, way to forward to achieve the goals outlined in this plan to attain the larger visions of the NEP 2020.

b. summary of the way forward to achieve Increase in gross enrolment ratio in higher education by giving distance learning and online programmes which allows students to improve access to higher education.

c. summary on restructuring of institutions as research universities, teaching universities and degree granting colleges, Multidisciplinary education like integrating humanities and arts with science, technology, engineering, and mathematics.

Also the session was addressed on expected Increase in gross enrolment ratio in higher education because of NEP-2020 Implementation. Finally, the workshop is ended by briefing on the advantages on implementation of NEP 2020 like

1. NEP 2020 will provide us with an opportunity to reimagine, redesign and restructure the entire system to make higher education the engine that will drive research and development of the economy and society. We, therefore, find ourselves at a crucial juncture of new possibilities, but the gap between policy and implementation has been historically quite wide and deep.

2.NEP 2020 is the major revamp of the framework of education in India since Independence which aims to work on the student-centric policies holistically to provide multidisciplinary curriculums that break the age-old educational system by revamping the Higher Education Institutions into Multidisciplinary Universities.

3. optimization of learning environment of students by providing motivated, energized and capable faculties. It ensures equitable access to quality education for all students. There is a major focus on revamping the degree programmes with a multidisciplinary approach and structuring of the education departments in all the higher education Institutions.

Date: 14-09-2023	Session:2(SH2)	Time: 11:15am to 1.0 pm
Topic: Literature/literary activities – Time Management and Team Building		
Speaker: Dr. Bhuvaneshwari		

Dr. Bhuvaneshwari taught some universal human values in a very emphasized way “Living your best life as a student” by giving an activity of knowing about ourselves as self-awareness and also taught about time management by having a self-study time-table. 4Ds of Time management was very useful in a daily day’s routine and also for studies. Practice self-care. To have a happy life, one should take care of oneself first. Also being optimistic, kind to everyone, be surrounded with happy people, dreaming big and hard work is very important.

The 4Ds of time management, sometimes referred to as the 4Ds of productivity, is a popular strategy for discerning a task or project. It involves making a quick decision about what to act on now by doing it yourself delegating to someone else, what to act on in the future. A good study timetable will set you up in a productive routine so that you don’t end up wasting your precious time. Keep reading so you can understand “How to make a perfect timetable for studying at home”.

The 4Ds of time management are Do, Decide, Delegate, and Delete (Drop). Placing a task or project in to one of these categories helps you to manage your limited time more effectively and stay focused on important tasks.

Date: 15-09-2023	Session:1(SH2)	Time: 10.30am to 11.30 am
Topic: “Environmental management and sustainable development”		
Speaker: Prof. Gobinath		

Environmental sustainability is the responsibility to conserve natural resources and protect global ecosystems to support health and wellbeing, now and in the future. Because so many decisions that impact the environment are not felt immediately, a key element of environmental sustainability is its forward-looking nature. In fact, the U.S. Environmental Protection Agency defines it as “meeting today’s needs without compromising the ability of future generations to meet their needs.

The terms “ESG” (Environmental, Social and Governance) and “sustainability” are used interchangeably, especially when it comes to benchmarking and disclosing data.

Sustainability is an umbrella term for many green concepts and corporate responsibility, while ESG has become the preferred term for investors and the capital markets. The industry may have started with sustainability efforts, but it has evolved to include ESG practices, performance, reporting and relevance to capital opportunities. ESG data helps identify risk-adjusted returns. Emphasis on all three pillars has aided the shift in how companies measure and disclose their performance.

Date: 15-09-2022	Session: 2 SH2)	Time : 11:45am to 1:30pm
Date : 21-09-2023	Session:1(SHGroundfloor)	Time : 9:15am to 11:00am
Topic: “Training and placement Cell DBIT ”		
Speaker : Prof. Somashekar		

Prof. Somashekar is working as Training and Placement officer in the department of Training and Placement for Don Bosco Institute of Technology, Mysore Road, Bengaluru and has more than 15 years of industry experience , 10 years in teaching UG Courses and 3 Years as Training and Placement Officer and has led to spectacular results with 566 placement offers last year for BE and MBA students.

He has received BE degree in Mechanical Engineering from Bangalore University and M.Tech in Product Design and Manufacturing from Visvesvaraya Technological University, Belagavi and pursuing Ph.D. in Mechanical Engineering and Science , VTU-Belagavi . During the session he explained about Training Programs, Employability program, memorandum of understanding.

The training program is defined as an activity or activities that include undertaking one or a series of courses to boost performance, productivity, skills, and knowledge. It is generally a cost-budget endeavor with flexible time. Some popular examples include orientation training, onboarding training, technical skills training, soft skills training, product/service training, compliance training, franchise training, and managerial/leadership training. Employability training identifies the job candidate's employability skills, combines them with improved self-awareness, and prepares them for their graduate job search. Having employability skills can help you get a job.

Date: 19-09-2023	Session:2(SH2)	Time:11.15am to 1.00pm
Date: 22-09-2023	Session:1(SHGroundfloor)	Time: 9.15am to 11.00am
Topic: “Importance of sports in Engineering” & Library related activities		
Speaker : Dr. Kumaraswamy & Prof. Ravi		

Dr. Kumara Swamy Physical Education Director, Sports Department, DBIT. delivered atalk on “The Physical health and Related Activities”. Sir focused on Playing a sport will keep you fit, both mentally and physically. Theimportance of sports at the college level is underrated and often underestimated by students.

Sports usually help students frame a better perspective towards life and induce a feeling of competitiveness which is eventually good for their professional careers. Students who play a sport during their college years, are less likely to participate in unhealthy and risky behavior likedrugs and alcohol. Fitness is a gateway towards healthy life which complements the state of mind of students. their professional careers. Students who play a sport during their college years are less likely to participate in unhealthy and risky behavior like drugs and alcohol. Fitness is a gateway towards healthy life which complements the state of mind of students. There are other activities like NCC, NSS are conducted in DBIT. There are several clubs in DBIT like Sports club, Adventures club, Photography club, Editing club, web-designing club, graphic-designing club. Adventures club include activities like Trekking, Cycling, Etc. No matter what course you are studying, make sure you are playing any sport or be indulge yourself any of the activities. Students must not allow themselves to get burdened with studies. Instead, they should look out to sports to beat stress induced by studies.

Followed by Prof Ravi Spoke about the rules and regulations of library

Date: 19-09-2023 22-09-23	Session: 4(SH2) Session:2(SHGgroundfloor)	Time: 3.15pm to 4.45pm Time: 11.15am to 1.00pm
Topic: “Alumni offices & its Facilities”		
Speaker: Prof. Rafi Ahmed		

Prof Rafi Ahmed spoke about the Alumni often connect with each other for professional networking. They share experiences, job opportunities, and industry insights. Experienced alumni can mentor current students or recent graduates, providing guidance and advice on career paths, job searches, and personal development.

Fundraising: Alumni contribute to their alma mater by donating funds for scholarships, infrastructure, or research programs.

Events and Reunions: Alumni participate in reunions, homecoming events, and other gatherings to reminisce about their college days and stay connected.

Supporting Students: Alumni may volunteer as guest speakers, organize workshops, or offer internships to current students.

Remember, being part of an alumni community is not just about the past—it’s about building lasting connections and contributing to the future.

Date: 19-09-2023	Session: 3(SH2)	Time: 1.30pm to 3.00pm
Topic: “ <i>NATIONAL EDUCATION POLICY -2020</i> ”		
Speaker : Dr. B S Nagabhushana		

As a part of First year induction program, NATIONAL EDUCATION POLICY-2020 workshop was conducted for all the I year Engineering students of 2022 batch. the workshop is held in three different venues on 02/12/22, 05/12/22 & 06/12/22.

Indian higher education needed a comprehensive reform for a long time to align the institutional goals, institutional structure, curriculum, pedagogy, research and assessment methods with the demands of the 21st century economy and society and to reflect the global and educational aspirations of the country's bid to become a knowledge society. The NEP 2020 stands out for suggesting revolutionary structural reforms in higher education and adopting a multidisciplinary liberal education framework. Keeping this in mind, the session was mainly focused on Overview of the NEP 2020 in the context of the Indian higher education landscape.

A summarized list of objectives, implementation steps, timelines, and success measures of the implementation required for the policy recommendations specifically made for higher education of the NEP 2020.

A summary of the way forward to achieve the goals outlined in this plan to attain the larger visions of the NEP 2020. A summary of the way forward to achieve Increase in gross

SIP- 2023-24

enrolment ratio in higher education by giving distance learning and online programmes which allows students to improve access to higher education.

A summary on Multidisciplinary education like integrating humanities and arts with science, technology, engineering and mathematics.

A summary on flexibility to offer different designs of masters' programmes like students will receive a certificate after one year, diploma after two years, bachelor's degree after three years, and bachelor's with research degree after four years.

Also the session was addressed on expected Increase in gross enrolment ratio in higher education because of NEP-2020 Implementation

Finally, the workshop is ended by briefing on the advantages on implementation of NEP 2020 like

1.NEP 2020 will provide us with an opportunity to reimagine, redesign and restructure the entire system to make higher education the engine that will drive research and development of the economy and society.

2.NEP 2020 is the major revamp of the framework of education in India since Independence which aims to work on the student-centric policies holistically to provide multidisciplinary curriculums that break the age-old educational system by revamping the Higher Education Institutions into Multidisciplinary Universities.

3.Optimization of learning environment of students by providing motivated, energized and capable faculties. It ensures equitable access to quality education for all students. There is a major focus on revamping the degree programmes with a multidisciplinary approach and structuring of the education departments in all the higher education Institutions.

Date: 19-09-2023	Session:3 (SHGround floor)	Time: 1.30pm to 3.00pm
Date : 21-09-2023	Session: 2 (SH2)	Time: 11.15am to 1.00pm
Topic: “MOOC and its importance”		
Speaker : Dr. G S Gowramma		

Dr Gowramma explained to students about online courses where she gave introduction about the same.

MOOCs (Massive Open Online Courses) have transformed the landscape of learning by offering free access to a wide range of courses. Let’s delve into their importance and benefits: Variety: MOOCs provide an unparalleled variety of subjects and skills. Whether you want to learn programming, art, or business management, there’s likely a MOOC available for you. These courses offer an interactive and supportive learning environment, akin to college online courses but more accessible to the average person¹.

Affordability: One of the biggest advantages of MOOCs is their price—zero cost for most courses. Organizations and institutions offer these courses to a large audience, making them financially accessible. The collective participation of learners ensures that individual capital requirements remain low¹.

Exploration: For college students, MOOCs open new avenues. You can experiment with different fields of study without the financial burden. It’s like dipping your toes in the water to see if a particular subject area resonates with you¹.

High Quality: MOOCs are designed and maintained by experienced college professors. These experts teach specialized and generalized topics, providing learners with Harvard-quality education for free. It’s an opportunity no one should miss¹.

Global Accessibility: MOOCs allow you to study with top universities worldwide. While they may not always lead to formal qualifications, they empower you to gain knowledge in diverse areas. Whether you’re developing career skills, preparing for further education, or exploring a new interest, MOOCs offer a flexible learning path.

Date: 19-09-2023	Session:4(SHGroundfloor)	Time :3.15pm to 4.45pm
Date: 21-09-23	Session:4(SH2)	Time :9:15am to 11:00pm
Topic: “Engineering Ethics”		
Speaker : Prof. Sharmila R S		

The Engineering Ethics was presided by Prof.Sharmila R S. She discussed ethics by saying: - Ethics can be defined broadly as a set of moral principles or values. Each of us has such a set of values. We would or wouldn't have considered them explicitly.

Universal human values play an important role in the life of humans at various stages including education and career. When a student enters in college, her/his behavior depends on the home culture that is family circle. When she/he enters the college or professional course, the social circle plays an important role which has a dominant impact on humanity and moral capabilities. The overall personality of an individual depends on that circle. The session was handled by Prof. Sharmila R S and educate students with lot of information with holistic approach and taught the student how education in human values is deeply essential to nourish the moral capabilities in the students and ultimately in society in a positive way. She also emphasized the importance of decision making as student how one should be courageous and quick enough to manage the crises and make correct decision.

Date: 20-09-2023	Session:1,2,3,4(SH2) Session:1,2,3,4(SHGroundfloor)	Time : 9:15pm to 11.00am Time : 11:15am to 1:00pm Time : 1:30pm to 3:00pm Time : 3:15pm to 4:45pm
Topic: Universal Human values: “Managing and developing intellectual and social quotient including patriotism, pride in Indian culture”		
Speaker : Disha Bharath team		

Session	Methodology	Objective
Holistic Wellness	Yoga and Pranayama	Enhancing memory, IQ and Concentration, Overcoming stress. Develop physical, emotional, intellectual, and spiritual quotient.
Self-awareness	Group Counseling	Develop emotional and social quotient-managing emotions, overcoming distractions, Developing positive attitude and goal setting.
Walk with Pride	Quiz	Inculcating patriotism, Pride in culture and Heritage.
Confidence building and Values in action	Audio/Visual Interaction	Build leadership skills to become catalyst of social change.
Group Dynamics	Desi games	Enhancing leadership, interpersonal and team building skills.
Values- foundation for success	Interactive talk	Unleashing the inner potential to lead a purposeful life.

Team from Disha foundation conducted three sessions on Managing and developing intellectual and social quotient including patriotism, pride in Indian culture & Heritage. Topics discussed Namaste India [Quiz Hunt], Discussing about few personalities and monuments, About ancient Indian physician, Achievements, and famous slogans of our freedom fighters.

They explained about famous Organisations during independent act, such as:

1. ‘Indian Green Revolution’ –M.S Swaminathan.
2. ‘Satyam Shivam Sundaram’ –Door darshan.
3. ‘White Revolution’ – Dr Verghese Kurien.
4. Atulya Bharath’ –Incredible India.

Topics discussed Namaste India [Quiz Hunt], Discussing about few personalities and monuments, About ancient Indian physician, Achievements and famous slogans of our freedom fighters. Some of the quiz questions asked in the session are :

The person who transported martial to south east Asia – Bodhidharma , name the first physician to do caesarean operation he was expert in removing stones in kidneys – sushruta , Discussing about some personalities , father of Indian green revolution – M.S

Swamy Nathan, Swaraj is my birth right and I shall have it – Bal Gangadhar Tilak , the organization slogan is “seva parama Dharma”- indian army , first Indian sportsperson to receive individual gold medal in olympics – Abhinav Bindra , “ Give me blood, I will give you freedom.” - Subash chandra bose, the children activist of India who was awarded noble prize 2014 – kailash sathyarathi, which organization slogan is “satyam, shivam, sundaram” - doordarshan , milk man of India – Vergese Kurien , the leading woman freedom fighter of 1857 war - rani Lakshmbai, the only satellite launch center in India – Sri Harikota , which organization’s slogan is “atulya bharat”- incredible India, self-awareness

In the afternoon session Disha bharat team conducted games for students like, firstly by lifting each other as a example of soldier lifting people during flood and other disaster. Secondly frog jump and crawling backside as crab to show, how physically challenged people suffer in their life. Thirdly building of pyramid by a team, to show **TEAMWORK**”. Fourthly spreading legs and going under them as the example of soldiers hide underground during snow and terrorist attack, lastly queen in the danger game. By playing these games students were made to understand the struggles of soldiers, sacrifice their life to protect the country people and their great patriotism towards our country and also learned some games to help people during disasters by lifting and carrying them back.

Date: 21/10/2023	Session:LectureIII Venue: DBIT seminar hall	Time: 1.30-4.45PM
Topic: <u>Management Theories of Forest</u>		
Speakers: Dr. Bhargava jois and Team		

Biodata and Photo of the speaker:

ಹೆಸರು : **ಭಾರ್ಗವ ಜೋಯಿಸ್**

ಭಾರ್ಗವ ಜೋಯಿಸ್ ಅವರ ನಾನು ಸ್ವ-ಉದ್ಯೋಗವನ್ನು ನಡೆಸುತ್ತಿದ್ದು, ನನ್ನ ವ್ಯವಹಾರದ ಜೊತೆಯಲ್ಲಿ ಗ್ರಾಮೀಣ ಅದರಲ್ಲೂ ವಿಶೇಷವಾಗಿ ಕಾಡಂಚಿನ ಶಾಲಾ ಮಕ್ಕಳಿಗೆ ಶಿಕ್ಷಣಕ್ಕೆ ಓತ್ತು ನೀಡುವ ಚಟುವಟಿಕೆ ಆಧಾರಿತ ಕಲಿಕಾ ಕಾರ್ಯಕ್ರಮಗಳು, ಆರಣ್ಯ ಮತ್ತು ವನ್ಯಜೀವಿ ಸಂರಕ್ಷಣಾ ಜಾಗೃತಿ ಕಾರ್ಯಕ್ರಮಗಳು, ಆರಣ್ಯ ಇಲಾಖಾ ಸಿಬ್ಬಂದಿಗಳಿಗೆ ಪುನಶ್ಚೇತನಾ ಕಾರ್ಯಕ್ರಮಗಳು, ಕಾಡಂಚಿನ ಜನರ ಆರೋಗ್ಯ ತಪಾಸಣಾ ಮತ್ತು ಆರೋಗ್ಯ ಜಾಗೃತಿ ಕಾರ್ಯಕ್ರಮಗಳು, ಯೋಗ ತರಬೇತಿ ಶಿಬಿರಗಳು, ಆರಣ್ಯ ಬೆಂಕಿ ತಡೆಗಟ್ಟುವ ಕಾರ್ಯಕ್ರಮಗಳು, ಕಾಡಂಚಿನ ಜನರಿಗೆ ವಿವಿಧ ಅವಶ್ಯಕ ವಸ್ತುಗಳ ವಿತರಣಾ ಕಾರ್ಯಗಳು ಹಾಗೂ ಆರಣ್ಯ ಇಲಾಖೆಗೆ ಸಹಕಾರಿಯಾಗುವ ಇತ್ಯಾದಿ ಚಟುವಟಿಕೆಗಳನ್ನು ನಡೆಸುತ್ತಾ ಬಂದಿರುತ್ತೇನೆ.

Report about the session

In his motivational address, Bhargava sir explained the value of forests and biodiversity for almost 45 minutes. Following his speech, students were divided into two groups. One of the group members was sent to the SH-2 seminar hall to build a forest model using of available resources such as thermocol color paper plants and trees. Girivalmiki and Vasu sir address another group of students. Both speakers explained the relevance of biodiversity and ecology. Finally, all of the pupils are led to the ground. A few pupils are chosen to describe the topic of the models that have been constructed. Later, Bhargava sir and his team used a student's model to explain the concept of forest fires.

Photos of the session

Date: 22-09-2023	Session:1(SH2)	Time: 9.30am to 11.00am
Topic : Communication & Writing Skills		
Speaker: Prof Usha G		

Written Communication:

Importance: Writing is a fundamental aspect of communication. Whether it's emails, project reports, or formal documents, clear and concise writing matters.

Grammar and Punctuation: Pay attention to grammar and punctuation. Clarity and accuracy are essential.

Conciseness: Be succinct. Avoid unnecessary jargon or verbosity.

Courtesy: Maintain a polite tone in your written communication.

Practice: Regular writing practice helps improve your skills.

Verbal Communication:

Importance: Verbal communication occurs during conversations, meetings, and discussions.

Active Listening: When someone else speaks, actively listen. It's a crucial part of effective verbal communication.

Clarity: Speak clearly and confidently.

Adaptability: Adjust your communication style based on the context and audience.

Non-Verbal Communication:

Importance: Non-verbal cues matter. Your body language, eye contact, and demeanor convey messages.

Body Language: Use appropriate facial expressions and gestures.

Eye Contact: Maintain good eye contact to show engagement.

Consistency: Ensure verbal and non-verbal cues align for clear communication.

Visual Communication:

Importance: Visuals (images, graphs, charts) enhance communication.

Clarity: Make sure visuals are clear and reinforce your message.

Accompanying Text: Visuals can stand alone or complement written content.

Remember, effective communication skills contribute to positive professional relationships and successful collaboration. Practice, learn, and adapt to become a more proficient communicator!

Date: 22-09-2023	Session:2(SH2)	Time: 11.15am to 1.00pm
Topic: “EMERGING TECHNOLOGY IN IT INDUSTRIES”		
Speaker : Dr.Anasuya N Jadagerimath		

The emerging, supporting technologies and trends include (but are not limited to) spatial computing and the spatial web; digital persistence; multientity environments; decentralization tech; high-speed, low-latency networking; sensing technologies; and AI applications.

The consumer journey is charting a new course as customers and companies alike embrace emerging technologies. As tech trends such as artificial intelligence (AI) and robotic process automation (RPA) become more pervasive, the world will look to brands who can deliver with accuracy and real-time efficiency. According to a report released by industry body Nasscom and global consulting firm McKinsey, India's technology services industry has the potential to generate \$300-350 billion in annual revenue by 2025 if it can capitalize on rapidly emerging business opportunities in cloud, artificial intelligence (AI), cybersecurity.

Date: 22-09-2023	Session:3(SH2) Session:3(SHGroundfloor)	Time: 1.30pm to 4.45pm
Topic: Importance of Yoga		
Speaker: Prof K Nagaraja, Retd. Deputy Director, P U board Karnataka		

Prof Nagaraja K is a Retired Professor and as well Yoga Guru. Sir completed his master's in chemistry in mysore university in the year 1983. Sir worked as Lecturer in chemistry in various college naming few MYCEmco PU college, Tumkur , Govt PU college , Kunigal, Govt PU college ,Tumkur. Sir worked as Principal in various college Govt PU college, Shrinageri chikkamangalore (Dist). Govt PU college, Chikkanayakanahalli, Tumkur. Govt PU college, Banavara, Hassan District. Sir worked as Deputy Director PU education. Chikkamangalore Now he is teaching yoga Through an organisation called Sri Patanjali Samiti. Sri Patanjali Yoga Shikshana samiti is an organization teaching Yoga free of cost since from 40 years online. Sir demonstrated various yoga poses, Even studied joined their hands along with him.

Prof Nagaraja K started his session by saying the importance of yoga, pranayama and meditation. Yoga is a form of exercise that originated in ancient India. Many people have practiced it for thousands of years. The act of yoga consists of many poses known as 'Asana' that have different physical benefits. It is said that if a person practices yoga, he or she will become healthier. Therefore, many countries have adopted yoga as a form of exercise. By practicing yoga daily, we can make our bodies healthier. Yoga is very safe and can be practiced safely by anyone at any time; even children and older people can also take all its benefits. Yoga is a practice to bring all body parts together to make a balance in body, mind, and soul. Earlier it was practiced by yogis to meditate them. And today, it is best to live a healthy and robust life. Yoga session was arranged in the playground. To start practicing yoga, one must become flexible first. So, some of exercises were taught to the students. Many asana like thadasana, pashmithasana, butterfly asana, bhujangasana etc followed by Pranayama and meditation were taught in this session.

Date: 24-09-2023 to 28-09-2023	Session:2(SH2) Session:1(SHGroundfloor)	Time : 2.00pm to 3.15pm Time : 2.00pm to 3.15pm
Topic: Engineering Marvels in Hindu temples		
Speaker: Shri Arjun Bharadwaj		

In this session we had played the recorded video lecture by Shri Arjun Bharadwaj, contributing editor of online journal Preksha on the topic “Engineering Marvels in Hindu temples”, which is taken from e- SIP conducted by AICTE in the month of November 2020.

Shri Arjun Bharadwaj has obtained his B. Tech. From NIT Suratkal and M.S. from ETH, Zurich, Switzerland. He has perused M A in Sanskrit from Karnataka Sanskrit University Bangalore.

The speaker has made an attempt to rejuvenate the memories of these ‘Engineering marvels’, and briefly discussed various components and corners of the construction, in light of known engineering principles, as on today.

He has discussed about main styles of ancient Indian architecture. Also mentioned the units of land measurements during ancient India. He has discussed the architectural aspects of Brihadeeswara Temple, Kailashanatha temple which is the largest of the rock-cut Hindu temples at the Ellora Caves etc.

The speaker has tried to inspire the budding engineers to excel ahead by studying the past. And also urged that it is very important to preserve the engineering masterpieces and our heritage and study and apply the architecture ideas used in those ancient days which have stood the test of time for more than 2000 years.

INDUCTION PROGRAMME-2023-24

Bio Data of Resource persons

Profiles of Speakers from Disha Foundation

Rekha Ramachandran

- ❖ Master's Degree in Economics from the University of Madras.
- ❖ Launched Disha Bharat in 2005 to impart value education to the youth
- ❖ Has inspired several thousands of youths by kindling their patriotism
- ❖ Has motivated many youngsters through her speeches and given guidance through her counselling
- ❖ Has organized and participated in several national and international conferences
- ❖ Co-authored papers for national conferences
- ❖ Motivational speaker on various platforms for teachers, parents and public at large

Harish Bharadwaj

- ❖ Engineer by qualification with a gold medal
- ❖ Has conducted personality development workshops for lakhs of students
- ❖ Motivational speaker, has addressed audience from different backgrounds
- ❖ Active volunteer Ramakrishna Math, Ramayana Prasarana Kendra, BalaGokula
- ❖ Expert in Yoga, Quiz, Games, Vedanta

Lavanya

- ❖ M.Sc. In Microbiology
- ❖ 8 years of MNC experience
- ❖ Certified Counsellor
- ❖ Soft skill trainer at many
- ❖ Personality Development Workshops

INDUCTION PROGRAMME-2023-24

Pramod Nataraj

- ❖ B.E in Automobile Engineering
- ❖ Volunteered in Organisations like SamarthaBharata, Thinkers Forum, Sewagatha
- ❖ Have conducted many Online Campaigns for Nation Building
Social Media Specialist

Dr. B S Nagabhushana

Principal

Don Bosco Institute of Technology

principal@dbit.co.in

www.linkedin.com/in/drbsn

Educational Qualification

2000:Ph.D

Research topic: Investigations on application of Artificial Neural Networks for mitigation of subsynchronous resonance in power systems

Institution: Indian Institute of Science, Bangalore

1989: M.Tech.(Industrial Electronics)

Institution: Sri Jayachamarajendra College of Engineering University:

University of Mysore

1984: B.E.(Electronics)

Institution: Siddaganga Institute of Technology University: Bangalore University

Experience:

Teaching 10Years

Research 4Years

Industry 10Years

Area of Research Interests:

- Advanced Computer Architecture
- Automotive Electronics
- Real Time Operating Systems
- Advanced Embedded Systems
- Advanced Control Systems
- Advanced Mathematics
- Artificial Neural Networks
- Machine Learning & AI

INDUCTION PROGRAMME-2023-24

Publications: National Conferences:8, International Conference:20, National Journals:4, International Journals:12

Memberships of Professional bodies/ Awards /Honours Received

Life Member: Instrument Society of India

Life Member: Indian Society for Technical Education Member: IEEE

Member: Society of Automotive Engineers

Dr.Kumaraswamy

Physical Education Director, Sports Dept. DBIT

Dr.Kumaraswamy has completed *B.A, B.P.Ed, M.P.Ed.* from Bangalore University, Bangalore, *M.Phil*, from Bharathiar University, Coimbatore (TN), *Ph.D*, from Dravidian University, Kuppam (AP), *Karnataka State Eligibility Test (KSET)*, from Mysore University, Mysore, and *P.G.Diploma in Yoga*, from Annamalai University, (TN).

Basically he is a good Sports person and involves in Games Activities & Tournaments Management Services. He is expertise in Volleyball, Softball, Cricket, Badminton, Throw ball, Kabaddi and Athletic events. He Organised Several State, National & VTU Programmes and he handled the academic responsibilities such as VTU Research examiner, VTU Sports & cultural Committee Member, VTU Team Selection Committee Member, Sports Committee Co-ordinator, NCC & NSS Programme Co-ordinator and Disciplinary committee member of DBGI.

Prof. Somashekar

INDUCTION PROGRAMME-2023-24

Training and Placement officer, DonBosco Institute of Technology, Bangalore

Prof. Somashekar is working as Training and Placement officer in the department of Training and Placement for Don Bosco Institute of Technology, Mysore Road, Bengaluru and has more than 15 years of industry experience, 10 years in teaching UG Courses and 3 Years as Training and Placement Officer and has led to spectacular results with 566 placement offers last year for BE and MBA students.

He has received BE degree in Mechanical Engineering from Bangalore University and M.Tech in Product Design and Manufacturing from Visvesvaraya Technological University, Belagavi and pursuing Ph.D. in Mechanical Engineering and Science , VTU-Belagavi . During the session he explained about Training Programs, Employability program, memorandum of understanding.

Prof. Sharmila R. S.
Department of Electrical and Electronics Engineering
Don Bosco Institute of Technology

- ❖ TOTAL EXPERIENCE: 25 years
- ❖ Has delivered various courses from the streams of Electrical, Electronics & Communication engineering for Electrical & Electronics Engineering & Electronics & Communication Engineering across graduation and post graduation (M Tech & MCA) degree courses.
- ❖ NATIONAL / INTERNATIONAL PAPER PRESENTED: 04
- ❖ PAPER PUBLISHED : 10 (National & International Journals and conferences)
- ❖ NATIONAL /INTERNATIONAL CONFERENCE ATTENDED : 04
- ❖ WORKSHOPS / SEMINARS ATTENDED:
- ❖ WORKSHOP / SEMINARS CONDUCTED
- ❖ TECHNICAL TALKS PRESENTED:
 - Guest Lecture on “An insight in to Engineering Ethics” on 12th February 2020 during Induction Programme for First year students at Don Bosco Institute of Technology, Bangalore.
 - Guest Lecture on “An insight in to Engineering Ethics” on 16th December 2020 during Induction Programme for First year students at Don Bosco Institute of Technology, Bangalore.
- ❖ ASSOCIATION MEMBERSHIP: ISTE , IETE , IRED & IENG
- ❖ CONSULTANCY WORK
 - For Tektronics (India) Pvt. Ltd., few basic set of experiments around Power Electronics Applications were built during the calendar year 2005.
- ❖ AWARDS & RECOGNISATION

INDUCTION PROGRAMME-2023-24

- ❖ State Level Award “ShikshanaJyotiPrashasti”, awarded by Trigger Youngsters Liberty Forum and BHSS, NCC Troop No 12, 7 Karnataka Battalion, Karnataka & Goa Directorate, NCC and Nobel Ex NCC Cadets on 15th January 2013.
- ❖ State Level Award “Karnataka Educational Awards 2020 - Best Professor for Electrical & Electronic Engineering”, awarded by YOUTH EFFORTS FOR SOCIETY TRUST (YES) ®, an ISO 9001:2015 Certified NGO, Regd. Under NitiAayog, Govt. of India NO MYE-4-00254-2015-16 on 02nd January 2021

Raghavendra R

Assistant Professor

Department of Civil Engineering, DBIT

Born and brought up in chickaballapur.

Pursued BE in Civil Engineering in 2012

Pursued Masters in Structural Engineering in 2015

Started the career in 2015 at Atria Institute of Technology as Assistant Professor in Department of Civil Engineering and served for 2 years

Served in Sapthagiri College of Engineering as Assistant Professor in Department of Civil Engineering for 3 years.

Served in a Construction Industry for a year

Now Currently working as Assistant Professor in Department of Civil Engineering at DBIT for past a Year.

Published 4 journal papers in refereed journal sites.

Awarded best paper for a project presentation in 2020

Awarded best social volunteer by Lion’s Club in 2021

Active Life member in ICI, ACCE and also member in IENG.

Prof. NAGARAJA

INDUCTION PROGRAMME-2023-24

Prof Nagaraja K is a Retired Professor and as well Yoga Guru. Sir completed his master in chemistry in mysore university in the year 1983. Sir worked as Lecturer in chemistry in various college naming few MYCEmco PU college, Tumkur , Govt PU college , Kunigal , Govt PU college , Tumkur Sir worked as Principal in various college Govt PU college, Shrinagari chikkamangalore(Dist). Govt PU college, Chikkanayakanahalli, Tumkur. Govt PU college, Banavara, Hassan District. Sir worked as Deputy Director PU education. Chikkamangalore District and got retires from service and settled in Tumkur.Sir is practicing Yoga from childhood. Now he is teaching yoga Through an organisation called Sri Patanjali Samiti. Sri Patanjali Yoga Shikshana samiti is an organization teaching Yoga free of cost since from 40 years online. Sir demonstrated various yoga poses, Even studied joined their hands along with him.

Gobinath Selvaraju received his B.E Civil Engineering from Adhiyamaan College of Engineering,Hosur Tamil Nadu, M.S (Engg) from K.L.E Dr.M S S C E T Belagavi, and pursuing Ph.D in the area of Soil Structure Interaction in Visvesvaraya Technological University. Currently he is working as a Assistant Professor in Department of Civil engineering, Don Bosco Institute of technology Bengaluru.

He has published 11 research articles in International Journals and 09 research papers in International Conferences.

He is Associate member at IEI, S Member at American Society of Civil Engineers, USA.

He is the recipient of ICI-Ultra Tech Award for his Outstanding Master Thesis in the field of Concrete.Elsevier recognized him as Mendely Advisor for valuable Contribution to the promotion of Good research practices.

Dr. Anasuya N Jadagerimath
Professor & HOD CSE(AI&ML)

INDUCTION PROGRAMME-2023-24

Ph.D (CSE)	Tumkur University, Tumkur
M.Tech (CSE)	M.S.R.I.T
B.E (CSE)	B.E.C Bagalkot

International Journal Publications:

21 including Scopus indexed book chapters

MEMBERSHIP OF PROFESSIONAL BODIES

Computer Society of India	2011	Lifetime
ISTE	2018	Lifetime

Filed Patents information

1.An intelligent system with a gesture to aid hearing and speech-disabled people.

2.E-Healthcare Support System in Both Kannada and English Languages.

Invited Talks: Presented technical talk on latest technologies for more than 10 programs including ATAL FDP.

Achievements:

Mentor for Smart India Hackathon-2022 –Won the first prize

Participated in state level project presentation sponsored by KSCST and won the first level Ideation conducted by Maharashtra University.

Translated One technical book into Kannada Language under AICTE-VTU Book writing and Translation scheme.

Prof. Rafi Ahmed Z,

Head , Alumni Relations &Asst Professor, EEE, DBIT, Bangalore

LAURELS

- Prof. Rafi Ahmed. Z is working as an Asst. Prof in the department of Electrical and Electronics Engineering and Currently working as Alumni Association head in DBIT.

INDUCTION PROGRAMME-2023-24

- He obtained his in Electrical and Electronics Engineering from National Institute of Engineering, Mysore and Master's degree from Ghousia College of Engineering, Ramanagaram.
- He Has got more than 15 years of teaching experience
- Prof. Rafi Ahmed published many Research Papers in National and International Journals.
- Currently he is working as Alumni Association head in DBIT

Dr. Gowramma G S

Dr. Gowramma G S is a distinguished academician in the field of Engineering Education having 22 years of experience in various levels and 5 years of Industry experience. She is an Electronics and Communication Engineering Graduate from BIET, Davanagere. She obtained her master's degree in engineering from Dr. MGR University; Chennai specialized in Computer Science & Engineering. She obtained her Ph. D from Visvesvaraya Technological University Belgaum. Her Research Interests are: Artificial Intelligence & Machine Learning. Prof. Gowramma G S adds the credit of publishing 30 research papers in various International and National Conferences/Journals. She has guided more than 50 Under-Graduate and Postgraduate student projects She has undergone "Train the Trainer (TTT)" Workshop Infosys, Bangalore, Mission10x Workshop by WIPRO in Pursuit of Excellence in Engineering Education Through Innovation by WIPRO- A Teaching and Learning Approach. She has undergone NPTEL online Certification course Accreditation and Outcome Based Learning, Python for Data Science, and Introduction to R Language, Introduction to Machine Learning, Data Mining, and Data Science for Engineers. Attended more than 50 FDP such as Robotic Process Automation, Mobile Application Development, Big Data Analytics, Artificial Intelligence, Deep Learning, AWS and Innovation Design Thinking. Teaching Award Silver Medal in getting 100% Result in Subjects Taught at UG Level. Certificate of Recognition as SILVER partner faculty under Inspire-The Campus Connect Faculty Partnership Model Feb 2018. Certificate of Recognition from Infosys for Campus Connect Program from 1st Jan till 31st Dec, 2011. Certified as IBM, "Certified Associate Developer on Rational Application Developer [RAD] for Websphere Software v6.0" held at DBIT on Nov 8, 2010. She has got award as Best Social Volunteer in 2022 by lion's club Vijayanagar. She has contributed notably and in various coordinator ships such as E-Attestation officer, NBA Coordinator, Campus Connect Coordinator, Cultural Convener, NSS Coordinator, Alumni Associations Member, EDUSAT Coordinator, College Web Site Coordinator and ICT Coordinator, Academic Convener. Has organized Three International Conference & Three National Conference on Emerging Trends in

INDUCTION PROGRAMME-2023-24

Information Technology. Has organized workshops and attended several workshops. She is certified as IBM Certified Associate Developer on Rational Application Developer [RAD] for Web Sphere Software v6.0. During her career as Associate Professor & HOD, she has faced National Board Accreditation committee visit and got accreditation twice, in 2008 for three years & three years in 2015 & in 2019 for three more Years and in 2023 for three years. She has been a notable contributor to Institutional growth through her committed efforts and innovative practices in Teaching and Learning. She is a Life Member of ISTE

Ravi. T

Chief Librarian, Don Bosco Institute of Technology

Experience: 20 + years

Educational Qualification:

- B.Sc. From Bangalore University
- M.L.I.Sc from IGNOU
- PGDLAN (Postgraduate in Library and Information Networking) from Annamalai University
- M.Sc. Chemistry from Kuvempu University.
- Pursing Ph.D at Adichunchanagiri University

Member of

1. Indian Library Association
2. LIS Academy
3. Karnataka Rajya Vijnana Parishat
4. Kannada Sahithya Parishat

Dr. Koushalya P R

Educational Qualifications:

Degree/Diploma Year of passing Grade University

PhD March 2019 --- Visveswaraya Technological University, Belagavi

MSc June 2008 First class Christ Deemed to be University, Bangalore

BSc May/June 2006 First class Sri Kuvempu Mahavidyalaya, channapatna, Bangalore University

- Summer Research fellowship: Deposition of light absorbing semiconductors on graphene and characterization, guided by Prof. Arindam Ghosh, IISc, Bangalore, 18th June -20th August 2012.
- PhD topic: Magnetic and Dielectric Studies of Bulk & Nanoparticles of Certain Doped Manganites.

INDUCTION PROGRAMME-2023-24

- Specialization: Crystal Physics.
- Computer languages & software known: C-Programme, GSAS, Origin.

Academic Positions held:

Memberships in Professional Bodies:

- Life member of Luminescence Society of India: Karnataka chapter (LSIKC)

Reviewer: Journal of Applied Magnetic Resonance,

Teaching Experience: 11+ years

Courses Taught:

Course Subjects taught Duration Institution

BE Engineering Physics 2008- 2009 Raja Rajeswari College of Engineering, Bangalore

BE Engineering Physics 2009-till date Don Bosco Institute of Technology, Bangalore

PUC II year PUC Physics 2013-2014 Don Bosco PU college, Bangalore

Workshops/Conferences conducted:

1. Co-convenor, International Conference on Recent Innovations in Science and Technology ICICST2019 held at Don Bosco Institute of Technology, Bangalore, 19-21 Dec 2019.
2. Co-convenor, International Conference on Recent Innovations in Science and Technology ICICST2018 held at Don Bosco Institute of Technology, Bangalore, 24-26 May 2018.
3. Coordinator, “International Conference on Mathematical Modeling (ICMM-2016)”, held at Don Bosco Institute of Technology, Bangalore, 23-24 Dec. 2016.
4. Organizing committee member, “Recent Advances in Materials Science RAMS-2011”, held at Don Bosco Institute of Technology, Bangalore, 21-22 Oct. 2011
5. Coordinator, “XXXI Refresher Course in Experimental Physics”, held at Don Bosco Institute of Technology, Bangalore, 8-23 August 2011.
6. Coordinator, Three day national lecture workshop on “Nano Sciences & Nano Technologies for Teachers & Students , The Nano Mela-2010”, held at Don Bosco Institute of Technology, Bangalore, 28-30 April, 2010

Research Experience: 10 years

Research Interests: Magnetization, Magneto transport & Electron Paramagnetic Resonance studies on some doper manganites, Dielectric studies at room and low temperature, Graphene applications in solar cells.

Publications:

INAUGURATION

Of First Year B.E Class
2023-24 Batch

Date : 12th Oct. 2023

Time : 10.30 AM

CHIEF GUEST

Srinivasan Ramanujam
Delivery Manager, TCS

GUEST OF HONOUR

Arun M Isloor
Professor, NITK, Surathkal

PRESIDED BY

Sri. B Bylappa
President, WET

Sri. B Manjunath
Executive Director, DBIT

Sri. Raghav Bylappa
Secretary, WET

ORGANIZING CHAIRS

Dr. B S Nagabhushana
Principal, DBIT

CO-ORDINATORS

Dr. Nataraj R
HOD & Professor, Dept. of Maths

Dr. Koushalya P.R
HOD & Professor, Dept. of Physics

Dr. Manjunatha A S
HOD & Professor, Dept. of Chemistry

Venue : Basket Ball Court

Sample Attendance
